CATIDE requests that all available documents relating to the personal, professional, and educational background of these individuals be provided in addition to any material on past Nazi or SS activity. EDC forms are forwarded herewith as Attachment (1); please send one copy of any available material to KL; and one to KE.

2. Since these individuals are either CATIDE staffers, sources or contacts we request traces as indicated. All Agency Trace request forms are forwarded under separate cover as Attachment (2) to CSB and CIS for tracing the Services.

3. Munich files contain the following traces:

- a) No traces on HUNICH, HUNICH or DOLPH.
- b) KILIST is mentioned in MMA 5308, 27 February 1951 as a close contact of CATIDE's Hans Juergen DINKLER ( ) and was traced in MMA 5390, 27 February 1951 along with other members of the KILIST clan. A positive reply was received in MMA 28690, 20 April 1951. KILIST is also mentioned in a memorandum for the record in the file of Dr. Hjalmar HAE ( ), Estonian Quisling, as having received a letter from HAE in 1952. KILIST's name turned up again in MMA 11604, 6 July 1962 and MMA 11745, 2 October 1962 after he visited ( ) was a contact of ( ). The Munich reply to ( ) was contained in MMA 59434, 19 July 1962. Munich files contain no further information.
- c) Adalbert KUNDEL is apparently mentioned in the attachment to MMA 930, 14 December 1949; the document is no longer available in Munich; traces on KUNDEL also appear in MMA 19112, 17 May 1950 and MMA 5658, 21 June 1954; we have no further information.
- d) We have a voluminous file on Bruno KAUSCHEN ( ) but the latest information is June 1962; we would appreciate any new information addresses may have.
- e) As far as we know Heinrich KURTZ ( ) is still a CATIDE staffer but our latest information on him is 1960.
- f) We have a carded reference to Paul LANGEN, leader of CATIDE surveillance team in Cologne mentioned in the UJDRMSY damage report; we have no further information.
